INSTRUCTIONS

Thank you for purchasing a Honey-Can-Do 2-tier all purpose wheeled cart. Please follow these step-by-step instructions. Please plan to spend about 10 minutes assembling your new cart. You can do it!

1. Pull frame **(B)** open from folded position and press shelving units into place. You will need to place your fingers between the front of the wire grids to push the shelving units into place; do not attempt to go through the top of the cart.
2. Insert the handle **(A)** into top of the cart **(B)**. Using your thumb, press tabs on the handle **(A)** inward and push into the cart **(B)** until you see the tab click through the hole.
3. Almost done! Attach the wheels next. Using your thumb, press tabs on the wheels **(C)** inward to and push into the cart **(B)** until you see the tab click through the hole.
4. Last, practice collapsing the cart by unhooking the shelves and pulling them upward. The cart will easily collapse, with the sides meeting in the center. Once collapsed, attach the hook **(D)** to the collapsed left side, in the center of the bar. To keep unit closed, clip the other end of the hook **(D)** to the collapsed right side. When in use, hook **(D)** will hang from the left side.
5. Enjoy your laundry cart from Honey-Can-Do.
